

Time/Time.cpp

```
graph TD; A[Time/Time.cpp] --> B[Time.h]; B --> C[iostream];
```

The diagram illustrates a vertical flow of dependencies or relationships between three components. At the top is a gray-shaded box labeled 'Time/Time.cpp'. A blue arrow points downwards from this box to a white box labeled 'Time.h'. Another blue arrow points downwards from 'Time.h' to a white box labeled 'iostream' at the bottom. The boxes are centered vertically and horizontally on the page.

Time.h
